- ▶ Tier 2 Notification (pg. 7)

Annual Renewal Demand and Tiered Ranking

The Annual Renewal Demand (ARD) is equal to all renewing grants and the Permanent Housing Bonus Project.

- ▶ Tier one is equal to 93 percent of the ARD; and
- ▶ Tier two is equal to 7 percent of the ARD.

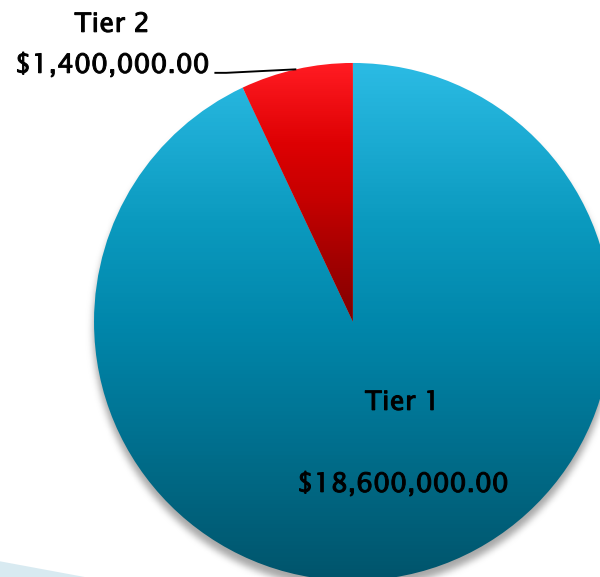

Projects in Tier 1 will be prioritized for funding and Projects in Tier 2 will be funded based on availability of funding nationwide and the strength of the overall application.

Annual Renewal Demand and Tiered Ranking

For example, if:

- ▶ The CoC's renewing grants totaled to \$19,000,000;
- ▶ The CoC chose a Bonus Project with a budget of \$1,000,000
- ▶ The CoC's ARD would be \$20,000,000

In this example above the CoC's Tier 1 /Tier 2 split would look like this:

Ranking Criteria

- ▶ Projects will be ranked using program data from FY15
 - Data was pulled when putting together report cards for the ICH–Data and Performance Management (DPM) Performance Quality Improvement (PQI) process which was launched in May 2016.
 - Program info for FY15 was selected by ICH–DPM because TCP has to report on CoC–wide data on FY15 as a part of the NOFA and other associated performance reporting due in August 2016.

CoC Funding Priorities

The CoC Board has established ranking criteria and funding priorities consistent with the requirements and program and policy priorities stated in the FY2016 NOFA. The CoC Board will ranking all projects according to the established ranking to create the CoC Priority Listing and make decisions about Tier 1 and Tier 2.

The CoC Board will prioritize projects for funding as follows:

1. Renewal Permanent Supportive Housing (PSH) and Rapid Rehousing (RRH), and Youth Transitional Housing
2. New Reallocated PSH
3. New Reallocated RRH
4. Permanent Housing Bonus Project
5. Renewal Transitional Housing (non-youth)
6. Renewal HMIS
7. Any other project application submitted by the CoC that was not on the HUD-approved GIW

Tier 2 Notification

Providers with projects that are preliminarily selected for Tier 2 will be notified on **07/18/2016**.

The providers will be given the opportunity to submit a letter to TCP and the CoC Board describing how the project supports HUD's policy priorities, how the project meets a need in the community that would otherwise go unmet if the project were not renewed, and any other relevant information for the CoC Board to consider as it makes its decisions.

Letters will be due on **07/25/2016** and should be sent via email to Jose Lucio (jlucio@community-partnership.org).
