# Annual Renewal Demand and Tiered Ranking

The Annual Renewal Demand (ARD) is equal to all renewing grants

- ▶ Tier one is equal to 94 percent of the ARD; and
- ▶ Tier two is equal to 6 percent of the ARD PLUS the amount of funds available for the Bonus Project.

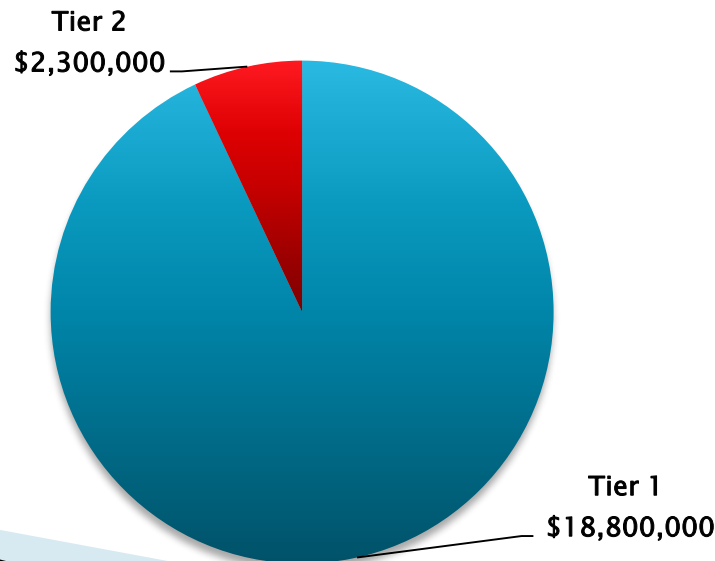

Projects in Tier 1 will be prioritized for funding and Projects in Tier 2 will be funded based on availability of funding nationwide and the strength of the overall application.

# Annual Renewal Demand and Tiered Ranking

For example, if:

- ▶ The CoC's renewing grants totaled to \$20,000,000;
  - The Tier 1 amount would be \$18.8M
  - The Tier 2 amount would be roughly \$2.3M (\$1.2M + the amount available for the Bonus, \$1.1M )

In this example above the CoC's Tier 1 /Tier 2 split would look like this:

# Ranking Criteria

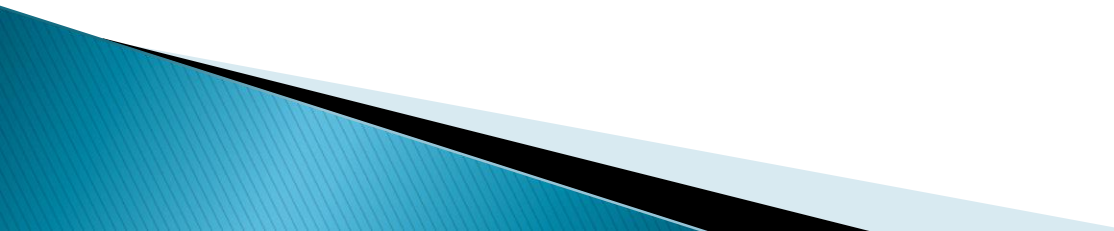

- ▶ Projects will be ranked using program data from FY16
  - Data was pulled when putting together report cards for the ICH–Data and Performance Management (DPM) Performance Quality Improvement (PQI) process which was launched in May 2016.
