

## Hypothermia FY 18 Debrief – Unaccompanied Youth Persons Prepared for the District of Columbia Interagency Council on Homelessness May 2018

- During Hypothermia FY18,<sup>1</sup> some **311** unaccompanied, single youth persons used the Low Barrier and Severe Weather Shelters named in the Winter Plan<sup>2</sup>, as well as Youth Specific Temporary Shelter site Programs.
- **39.5 percent** of the single youth persons served were women and **60.5 percent** were men.
- **49.5 percent** of men spent seven nights or fewer in shelter over the course of the season, while **4.8 percent** of men spent the entire season in shelter.
- **35.0 percent** of women spent seven nights or fewer in shelter over the course of the season, while **20.3 percent** spent the entire season in shelter.
- Men served spent an average of **29 nights** in shelter over the course of the season while women spent an average of **53 nights** in shelter during the season.
- **98.7 percent** of the youth persons who used the Low Barrier, Severe Weather, and Youth Specific Temporary Shelter Sites during Hypothermia FY18 were Transitional Aged Youth (ages 18-24), and **1.3 percent** were under the age of 18.

Nights in Low Barrier/Severe Weather Shelter, Hypothermia FY 18			
Men		Women	
<b>1 to 7 nights</b>	49.5%	<b>1 to 7 nights</b>	35.0%
<b>8 to 30 nights</b>	19.7%	<b>8 to 30 nights</b>	13.8%
<b>31 to 60 nights</b>	12.8%	<b>31 to 60 nights</b>	16.3%
<b>61 to 90 nights</b>	8.0%	<b>61 to 90 nights</b>	8.1%
<b>91 to 120 nights</b>	5.3%	<b>91 to 120 nights</b>	6.5%
<b>121 to 151 nights</b>	4.8%	<b>121 to 151 nights</b>	20.3%

- The majority of both youth men (**51.3 percent**) and youth women (**61.5 percent**) served during Hypothermia FY18 used only Youth Specific Temporary Shelter site Programs. About **1 in 5** youth men uses either only Hypothermia sites during the season or only Year Round Low Barrier sites (i.e. New York Avenue). While **1 in 5** youth women only used Hypothermia sites during the season, just **1 in 10** used a Year Round Low Barrier Site (i.e. Harriet Tubman).

<sup>1</sup> Between November 1, 2017 and March 31, 2018.
