Ms. Hill,

Thank you for your submission in response to the DV Bonus Opportunity (funded through the FY21 HUD NOFO).

The ICH Ranking Committee has completed their review of all proposed projects and has selected another agency's project to put forth as our Continuum's applicant for this funding.

We hope that you consider applying for future opportunities when they are available.

If TCP can answer any questions you have about the process this year, we can schedule a time to discuss after the full NOFO Competition closes in November.

Best,  
Tom
