TCP Only Trainings

Course descriptions and the frequency they are offered can be found in “TCP Training Catalogue.”

The following trainings are provided through TCP. TCP may contract with vendors to provide these trainings. You must attend the trainings through TCP to receive credit. TCP will facilitate the registration. If you attend a training that TCP did not facilitate, even if it's the same vendor, you will not receive credit from TCP. See your contract to see if you are required to attend.

The trainings TCP offers is subject to change. Should TCP change course offerings, TCP will announce this and provide guidance on how this impacts trainings requirements and contract compliance. To this end, TCP anticipates making changes to the course offerings in 2023.
