Subject: Youth Homelessness NOFO Registration Open

On June 10, 2026, the U.S. Department of Housing and Urban Development announced the publication of the [Youth Homelessness NOFO](#), which combines funding from FY2024 and FY2025 for both the Youth Homelessness Systems Improvement (YHSI) grants and Youth Homelessness Demonstration Program (YHDP). Unlike previous YHDP competitions, eligible applicants for the Youth Homelessness NOFO include both Continuum of Care (CoC) and non-CoC organizations, including faith-based organizations, non-profit organizations, and Tribes and Tribally Designated Housing Entities (TDHEs).

The registration process to apply for YHSI and YHDP community designation is now open in [e-snaps](#) and will close on **July 8, 2026.** Please see the [Youth Homelessness Programs](#) webpage for detailed instructions and other application support materials.

In order to apply for YHSI and YHDP community designation, community applicants must be registered in the e-snaps application system. YHSI and YHDP Community Applicants that are not CoC Collaborative Applicants must complete and submit a modified Youth Homelessness registration for your community in e-snaps to gain access to the Consolidated Youth Homelessness. A new registration is required for:

- * YHSI and YHDP Community Applicants who are not a Collaborative Applicant for a CoC
- * Collaborative Applicants who are applying for a YHSI or YHDP geography that is larger or smaller than the area covered by their CoC.

Collaborative Applicants with a valid FY 2025 CoC Program Registration will automatically have access to the Youth Homelessness Application and YHDP Priority Listing, since HUD already has their registration information. HUD anticipates opening the Youth Homelessness Consolidated Application materials soon.
